*The latest news and updates*

## EYC Hosted the First Annual Back to School Community Carnival

On August 18th we held our first back to school community carnival. We were open for the community along with our club youth and their families from 12-5pm. Families were able to come and receive free school supplies, backpacks, hygiene items, haircuts, and sports physicals.

It was a huge success! We were able to help hundreds of students be prepared to go back to school. It was made possible by generous donations and our sponsors.

## Sponsors Help the Club Get A New Van

Due to increased enrollment EYC was in need of additional transportation. Thanks to The State of Wyoming, The Wyoming Community Foundation Evanston Area, and Tim and Katie Beppler, EYC purchased a new van to transport youth to and from life changing programs.

## Update on our Fall and Winter Fundraisers

With changing community safety regulations we were unable to hold our Annual Casino Night on November 13th. We have tentatively rescheduled the event for February 2021.

In place of our North Pole Carnival the Evanston Youth Club youth put together 1,197 Share Kindness Kits for elementary school students. Kindness kits included service suggestions and Christmas prizes. See more on social media using #EYCsharekindness

**In place of our annual carnival, join us in sharing kindness in our community this Christmas season**

### STEP 1:

Do the ornament act of kindness or your own idea. Take a picture of our kindness.

### STEP 2:

Share your picture on social media using **#EYCsharekindness**

### STEP 3:

Pick a prize! Repeat steps until you are done with your ornaments.

### STEP 4:

Wear your kindness jingle bell proudly around our community! Share another picture wearing your bell on social media. Thanks for participating and may you feel the joy of the season.

## EARN IT Challenge

For the 2020-2021 school year our theme is EARN IT. Club members were challenged at the beginning of the school year to reach goals for better health, academics, character, and their future.

The goals Included researching colleges, participating in our Professionals in Training program, improving their language, know and support all club members, participate in homework time, pass all their classes, eat healthy, and exercise.

Those who achieve all the goals by December 11th will receive a Hydro Flask with the club logo, EARN IT logo, and their name.

### Evanston Youth Club

Is a 501-c-3 non-profit organization.

All donations benefit our programs to support youth and are tax deductible.
